

Lessons and Carols / Memorial Luminary Service

Wednesday, December 5, 2018 6:30 p.m.

At this busy time of year, when everyone is preparing for the holidays, we seldom take the time to think about those who may not be able to have a proper holiday celebration. Every year, the Town of Santee reaches out to these less fortunate families in our town by helping to bring some holiday cheer to everyone's holiday season. There are more families than ever that need our help. A small donation of \$10 will go to help these families celebrate with their loved ones the joy of Christmas and realize the true meaning of the season. Last year the response from our area was amazing and happy holidays were enjoyed all around.

Please light a luminary in honor of someone or to memorialize a family member or friend who may have passed away. At the Luminary Service in the Conference Center on Dec. 5th, the names will be read and the luminaries will be lit around the town's outdoor Christmas tree. It is a very special and beautiful time for the community to gather together for the benefit of those less fortunate. If you would rather remain anonymous in your giving, please note this on the form.

Please return the attached form to the Town Hall before November 28, 2018 along with your contribution to the food drive. You may make copies of the form. Your light will shine brighter for being a part of helping Santee families who need our help.

Fill out the following form and return with \$10 per luminary to:
