## A MESSAGE FROM TOWN LEADERSHIP

Dear Residents and Visitors,

Based upon your response, the first edition of the Town of Santee Community Newsletter was a home run. You may say why a home run? That is what happens in a baseball game. Yes, I agree, a baseball game. So let us use the rule of the baseball game for our message in this edition. A few weeks ago, the Town of Santee recreation unit celebrated the closing of the baseball and softball league tenth season. The league consisted of five teams of Santee's finest boys and girls.

During the season, they learned the rules of the game and how a group of independent individuals working collaboratively can achieve a common goal (winning). While it is not my goal to have the residents play baseball/softball, it is my hope that we can adopt the baseball rules of stepping up to the plate and take our strikes and balls at a home run.

The Town of Santee is a small rural progressing town with limited resources and wants to maintain the projection path that we have developed in the development of our youth. Therefore, I request your support in the form of volunteering in our recreation department this upcoming season. It is our hope to develop a soccer league during the next season. In order to do so, we need volunteers to make it happen.

Please step up to the plate. A single or double will do! With your help, our youth will hit a home run.

Again, thank you for your continued support and partnership.

*Mayor Donnie Hilliard*
